City to Surf 2015 was a very important event in the life of the firm! While all members of the firm signed on to do an event at this year's City to Surf, Jarred issued a challenge to Ian (some 25 years his senior). They would both run the 12 km event and Jarred would only start training at the beginning of August. There was much discussion about the challenge, especially over Friday evening drinks and Jarred was confident that he would win, given the age advantage!

On 30 August, the weather was kind and the rain held off. Nicky ran the 4km event from Perry Lakes and the rest of the girls opted to do the 4 km walk from Perry Lakes to City Beach, returning to the Tait home in Floreat to wait for the boys. Ian strolled in mid-morning, having had an uneventful run, finishing in 63 minutes. Ian had been passed by Jarred in the early stages, but had caught up with him going through Perry Lakes and had last seen him on the final hill before the beach.

Although Jarred finished the run 2 minutes after Ian, it was a good while later that he turned up at the house, struggling to walk because of painful shin splints. He hobbled inside, satisfied that he had finished the run but obviously disappointed that he had lost the challenge and his young body had let him down!

We then enjoyed a barbeque and some refreshments, celebrating our success or otherwise and enjoying the company. Strangely there has been no talk of City to Surf 2016, but time will tell whether Jarred is game for a re-match!
