About Tait & Co

Tait & Co has steadily grown since the firm was formed 20 years ago.

One of the main features of our law firm is that we are boutique – we are not too large or too small. We strive to provide personal and affordable legal services.

We describe ourselves as practical, down-to-earth business lawyers that can help you achieve your goals. However feedback we often receive suggests that not all our clients and friends of the firm know all of the areas of law we undertake. So we thought we would let you know that we focus on Commercial and Business Law, Dispute Resolution, Intellectual Property, Employment Law, and Wills and Estate Planning

We have developed an enviable reputation as a result of our proactive approach to identifying legal obstacles, developing strategies to overcome them and providing prompt effective solutions - which is why the vast majority of our business comes via referrals from clients and other professionals.

This newsletter is intended to provide general information.
You should obtain professional advice before you undertake any course of action.
