

Tait & Co Business Lawyers is a practical, down-to-earth commercial law firm that can help you achieve your goals.

Welcome to the May 2018 edition of the Tait & Co newsletter.

A newsletter for clients, friends of the practice and special interest groups.

In this edition we have some topical articles written in a helpful, no-nonsense style with plenty of practical suggestions together with an article about one of our long time clients, Heritage Water Tanks.

We hope you enjoy the articles.

If you require further information on any of the articles please [contact us](#) or visit our website [www.taitlegal.com.au](http://www.taitlegal.com.au)

## Heritage Water Tanks

In this newsletter we focus on one of our long time clients, Heritage Water Tanks. Heritage Water Tanks supplies water tanks Australia-wide.

Heritage Water Tanks is an industry leader in the water tank industry and is known for its innovative design, superior quality and exceptional service. Heritage Water Tanks prides itself on the steel thickness of its tanks and also its ArmaFresh water tank liners which are assembled in one piece using heat welding technology, giving them extra durability and strength.

Heritage Water Tanks supplies tanks between 55,000L and 375,000L in both corrugated and streamlined designs to rural, commercial and mining customers nationally.

We have acted for Heritage Water Tanks since the company was founded in 2002 and the work we have done for the company includes preparing contracts, registering trade marks, patent protection, advice on advertising/marketing, employment law, and much more.
